

**IFB #16-257**  
**Snow Removal Services**

**Summary**

Frederick County, Maryland is seeking bids from qualified Contractors for the provision of qualified snow removal contractors to supply equipment and personnel at the agreed upon hourly rates to assist with snow removal services, primarily subdivisions, in Frederick County for the winter season.

The majority of the snow removal routes available are in subdivision areas; however, the County may, at its sole discretion, assign other primary and secondary roads as necessary. The County's objective is to provide snow removal to all districts in the County within a reasonable timeframe. Each snow removal route covers ten to twelve center line miles.
